DETAILED ACTION

Allowable Subject Matter

1. **Claims 4, 6, 8-24, 26-28, 30-34, 36-38, 41, 43, 45 and 46** are allowed.

2. The following is an examiner's statement of reasons for allowance:

Regarding **claim(s) 4, 8, 31, 32, 33 and 36**, Jang fails to suggest or disclose the two determining steps whether the calling party is entitled to communicate with the called party and if the account is active deny the communications if any one of the step returns a negative results. It is not obvious to modify Jang for this limitations because the checking step is done by the called numbers and not the calling numbers.

Regarding **claim(s) 46**, Jang fails to suggest or disclose the screen component determining the entitlement parameters of the calling party and scanning the calling party's account for a suspicious word before allowing the calling party to communicate with the called party. It is not obvious to modify Jang for this limitations because the screening step is done by the called numbers and not the calling account.

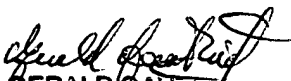

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
